Construction Notice

WHAT is the Project?
The project is to widen Highway 111 to three lanes in each direction between Rubidoux Street to just west of Madison Street. As part of the project, all pavement will be replaced, all traffic signals will be replaced, and nearly all sidewalk, drive approaches, and access ramps will be upgraded.

WHEN is this being done?
Construction is scheduled to begin January 16, 2018, and end by Thanksgiving 2018. The work is being done in sections to minimize construction impacts. The first section receiving work is Highway 111 east of the Stater Brothers’ Shopping Center on the corner of Highway 111 and Madison Street to Granada Drive. This construction phase will be from January 16, 2018 until April 10, 2018. Additional notices will be provided as work proceeds to other sections.

HOW are traffic and businesses being impacted?
Highway 111 will remain open to traffic at all times, and access to all businesses will remain open at all times. All businesses will be notified prior to any work being done in front of their location and/or to their drive approaches.

For more information please call the Construction Manager, Marty Phillips at (760) 533-8119.
