ARABIA STREET CLOSURE BEGINS JUNE 11TH FOR STORM DRAIN AND STREET IMPROVEMENTS
Construction Work Will Increase Storm Drain Capacity and Enhance Road Conditions

INDIO, CA (June 8, 2018) – Arabia Street will be closed between Highway 111 and Dr. Carreon Boulevard from June 11 to July 31 to install a larger storm drain, relocate utilities, and improve street conditions as part of Riverside County’s construction of the John J. Benoit Detention Center. The intersection of Highway 111 and Arabia Street will also be closed from August through September for traffic signal modifications to enhance vehicle and pedestrian safety.

Street closures on Arabia Street will be permitted for one block at a time. Detours will be provided during all closures and access will be provided to all private and public facilities within the work limits. Notifications will be distributed by the contractor to affected residents and businesses. Parking along residential streets will have temporary restrictions. Construction will be performed in segments to minimize traffic impacts. Please adhere to traffic signs and notices. On Highway 111, one 12-foot wide lane and one 11-foot wide left turn lane in each direction will be maintained at all times outside of working hours.

This project will increase storm drain capacity in the area and improve pavement conditions on Arabia Street. The $2.9 million project is funded by the Riverside County Economic Development Agency.

For more information on this project, please contact Reed Chilton, Construction Manager, Albert A. Webb Associates, at (951) 686-1070 or reed.chilton@webbassociates.com.

About the City of Indio
The City of Indio is the largest and fastest growing city in eastern Riverside County with more than 89,000 residents. Nearly 1.4 million people visit Indio every year to attend its world famous arts, food, and music festivals. With nationally recognized public safety services, exceptional school, great parks, and senior and teen centers, no wonder more than 3,000 new housing units are in construction or being planned throughout the city in addition to new hotels, restaurants and retailers. Indio was the first city incorporated in the Coachella Valley on May 16, 1930, and is governed by an elected City council that employs a City Manager. The City of Indio embraces its diversity and provides outstanding municipal services to enhance the quality of life for its residents, visitors and the business community.
